**INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
AIDSNET  
Bethlehem, Pennsylvania

**Report on the Financial Statements**

We have audited the accompanying financial statements of AIDSNET (A Not-for-Profit Corporation), which comprise the statements of financial position as of June 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AIDSNET as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Other Information*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated October 5, 2021 on our consideration of AIDSNET's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of AIDSNET's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering AIDSNET's internal control over financial reporting and compliance.

AIDSNET  
NOTES TO THE FINANCIAL STATEMENTS (Continued)  
JUNE 30, 2021 and 2020

**NOTE 1 Summary of Significant Accounting Policies**

Nature of Activities

AIDSNET, a private, non-profit organization, is one of seven federally mandated HIV/AIDS coalitions in Pennsylvania. It was founded in 1991 on the premise that the best way to contain the HIV pandemic is through regional strategy. With an annual budget of approximately \$2 million, AIDSNET subcontracts with agencies throughout Berks, Carbon, Lehigh, Monroe, Northampton and Schuylkill counties. AIDSNET is responsible for the development of a comprehensive continuum of prevention and care services and acts as the fiscal agent for Federal Part B of the Ryan White HIV/AIDS Treatment Modernization Act and Housing Opportunities for People with AIDS (HOPWA), State 656 and other HIV/AIDS-related funding. The organization's efforts are aimed at both stopping the spread of HIV infection and providing medical and social services to those who have been infected.

Basis of Presentation

The financial statements of the Organization have been prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America. The financial statements are presented in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958, and the provisions of the American Institute of Certified Public Accountants (AICPA) "Audit and Accounting Guide for Not-for Profit Organizations" (the "Guide"). (ASC) 958-205.

Under the provisions of the Guide, net assets and revenues, and gains and losses are classified based on the existence or absence of donor-imposed restrictions.

Accordingly, the net assets of the Organization and changes therein are classified as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. The Organization's board may designate assets without restrictions for specific operational purposes from time to time.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Non-Profit Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

AIDSNET  
NOTES TO THE FINANCIAL STATEMENTS (Continued)  
JUNE 30, 2021 and 2020

**NOTE 1 Summary of Significant Accounting Policies (Continued)**

Cash Equivalents

Cash equivalents consist of short-term, highly liquid investments with an initial maturity of three months or less. Fair value approximates carrying amounts.

Contributions

Unconditional contributions are recognized when pledged and recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Gifts of cash and other assets are reported with donor restricted support if they are received with donor stipulations that limit the use of the donated assets.

When a restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as net assets without donor restriction support. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Contributions restricted for the acquisition of land, buildings, and equipment are reported as net assets without donor restriction upon acquisition of the assets and the assets are placed in service.

Measure of Operations:

The statement of activities reports all changes in net assets, including changes in net assets from operating and non-operating activities. Operating activities consist of those items attributable to AIDSNET's ongoing activities. Non-operating activities are limited to resources that generate return from investments, endowment contributions, financing costs, and other activities considered to be of a more unusual or nonrecurring nature.

AIDSNET  
NOTES TO THE FINANCIAL STATEMENTS (Continued)  
JUNE 30, 2021 and 2020

**NOTE 1 Summary of Significant Accounting Policies (Continued)**

Property and Equipment

Property and equipment is stated at cost or at estimated fair value at the date of gift. Donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. In accordance with Pennsylvania Department of Health policies, the Organization capitalizes fixed assets with an original cost over \$ 1,000. Depreciation is provided using the straight-line method over the estimated lives of the assets, which range from three to five years.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Donated Materials and Services

Donated materials and equipment are reflected as contributions in the accompanying statements at their estimated values at the date of receipt. The Organization receives donated services from a variety of unpaid volunteers. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort have not been satisfied.

Income Taxes

The Organization is exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code and therefore has made no provision for federal income taxes in the accompanying financial statements. In addition, the Organization has been determined by the Internal Revenue Service not to be a "private foundation" within the meaning of Section 509(a) of the Internal Revenue Code. There was no unrelated business income for the years ended June 30, 2021 and 2020, respectively. The Organization's IRS Form 990's for the years ended June 30, 2021, 2020, 2019, and 2018 are subject to audit by the IRS. Generally, for three years after they were filed.

**AIDSNET**  
**NOTES TO THE FINANCIAL STATEMENTS (Continued)**  
**JUNE 30, 2021 and 2020**

**NOTE 2 Property and Equipment**

Property and equipment consist of the following as of June 30, 2021 and 2020:

	<u>6/30/2021</u>	<u>6/30/2020</u>
Furniture & Equipment	\$ 21,422	\$ 12,246
Less: Accumulated Depreciation	<u>8,477</u>	<u>5,110</u>
	<u>\$ 12,945</u>	<u>\$ 7,136</u>

Depreciation charged to expense was \$ 3,366 and \$ 1,881 for the years ended June 30, 2021 and 2020, respectively.

**NOTE 3 Line of Credit**

The Organization has an unsecured bank line of credit available up to a maximum credit limit of \$ 100,000. The outstanding balance as of June 30, 2021 and 2020 was \$ 3,303 and \$ -0-, respectively. Interest paid totaled \$ -0- and \$ 12 for the years ended June 30, 2021 and 2020, respectively.

**NOTE 4 Leases**

The Organization leases office space, which includes all utilities except telephone. The lease term extends through June 15, 2023.

The total minimum rental commitments are as follows:

Year ended June 30,	2022	32,822
	2023	33,478

**NOTE 5 Concentration of Credit Risk**

The Organization maintains cash balances, which may exceed federally insured limits, but it historically has not experienced any credit related losses.

**AIDSNET**  
**NOTES TO THE FINANCIAL STATEMENTS (Continued)**  
**JUNE 30, 2021 and 2020**

**NOTE 6 Retirement Plan**

AIDSNET offers a simplified-employee pension/individual retirement account (SEP/IRA) and a tax-deferred annuity plan (TDA) to all eligible full-time employees. AIDSNET contributes five-percent of eligible employees' salaries to the SEP/IRA. The employee pays TDA retirement contributions. AIDSNET contributed \$13,506 and \$15,838 for the years ended June 30, 2021 and 2020, respectively.

**NOTE 7 Commitments and Contingencies**

AIDSNET receives a substantial amount of its revenue from the Pennsylvania Department of Health. For the years ended June 30, 2021 and 2020, this represented 99% and 99% of the total revenue of the Organization. A reduction in this level of funding may have an effect on the Organization's programs and activities.

**NOTE 8 Federal Awards**

For the year ended June 30, 2021, the amount of federal financial assistance was below the level which required an audit in accordance with the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). A single audit was performed in order to comply with certain federal and state regulations.

**NOTE 9 Restrictions on Net Assets**

Donor restricted net assets represent privately contributed funds restricted for consumer and prevention activities. The Organization had no donor restricted net assets as of June 30, 2021.

**NOTE 10 Subsequent Events**

Subsequent events have been evaluated through October 5, 2021, which was the date the financial statements were available to be issued.

**SUPPLEMENTARY INFORMATION**

**AIDSNET**  
**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS**  
**YEAR ENDED JUNE 30, 2021**

**NOTE 1 Summary of Significant Accounting Policies**

**Basis of Presentation**

The accompanying schedule of expenditures of federal awards includes the federal grant activity of AIDSNET and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the basic financial statements.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER  
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors  
AIDSNET  
Bethlehem, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of AIDSNET (A Not-for-Profit Corporation), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 5, 2021.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered AIDSNET's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of AIDSNET's internal control. Accordingly, we do not express an opinion on the effectiveness of AIDSNET's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether AIDSNET's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE  
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors  
AIDSNET  
Bethlehem, Pennsylvania

**Report on Compliance for Each Major Federal Program**

We have audited AIDSNET's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of AIDSNET's major federal programs for the year ended June 30, 2021. AIDSNET's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditors' Responsibility**

Our responsibility is to express an opinion on compliance for each of AIDSNET'S major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about AIDSNET's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major program. However, our audit does not provide a legal determination of AIDSNET's compliance.

**Opinion on Each Major Federal Program**

In our opinion, AIDSNET complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

## Report on Internal Control Over Compliance

Management of AIDSNET is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered AIDSNET's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of AIDSNET's internal control over compliance.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
